

# ELEYO HELPS FAMILIES MANAGE CHILD CARE ACCOUNTS

## FAMILIES CAN DO THE FOLLOWING:

- Register for current and upcoming seasons
- Request child care contract schedule changes
- Create/edit emergency contacts and authorized pick-up persons
- Manage payment methods
- Review past and current invoices
- Download payment receipts and child care tax statements

This portal empowers parents to take a self-service approach to account management, which reduces manual data entry, helps eliminate errors, and ensures programs have the most accurate information on participating families—saving programs time and money.
