

*"It takes a family 3 minutes to register with us."*

Minneapolis Public Schools

## ELEYO MAKES REGISTRATION EASY

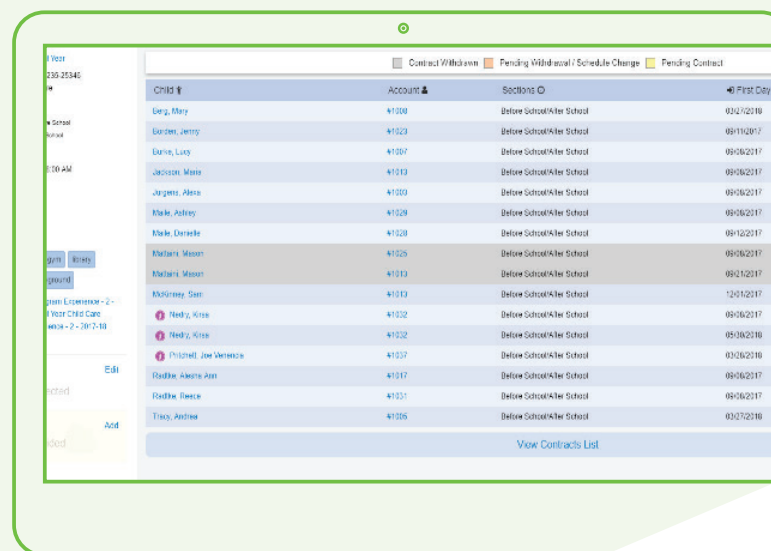

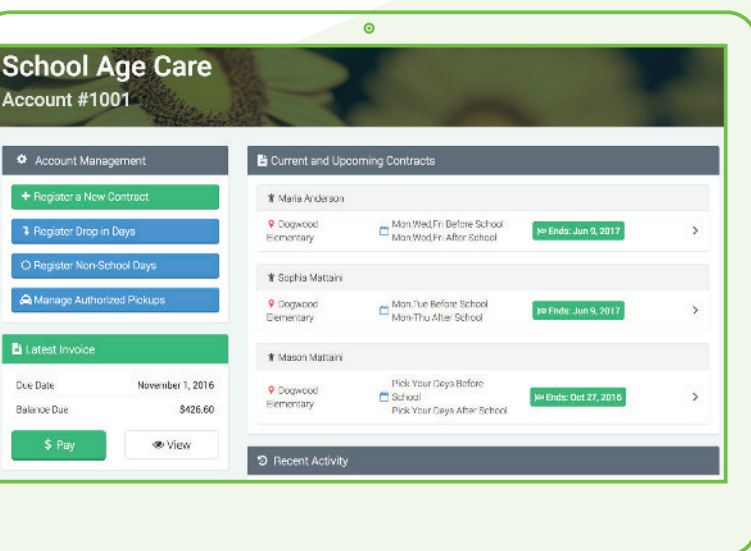

### ELEYO'S REGISTRATION ALLOWS PARENTS TO:

- Browse and register for courses or child care on any device including smart phones and tablets
- Manage and update stored payment methods
- Download and print payment receipts and annual tax statements
- View details about upcoming enrollments

### INTEGRATED REGISTRATION ALLOWS STAFF TO:

- Electronically collect payment information at time of registration with the option to require auto-pay
- Spend more time working with children and less time on paperwork
- View and manage class and waiting list enrollments online
- Pull reports from one software that houses all program information from registration to billing
