Software Features and Benefits

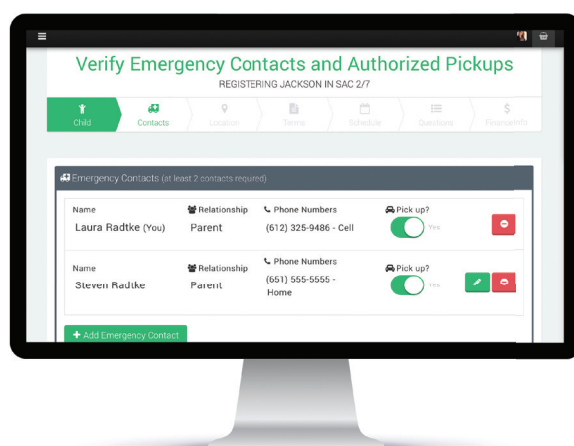

## Eleyo makes reporting easier by integrating online registration and billing

### FOR YOUR PARENTS/FAMILIES

- Complete all required information at time of registration including allergies/health concerns, emergency contacts, and approved pick-up persons
- Set up and manage auto-payments through a mobile friendly family portal

### FOR YOUR STAFF

- Collect all required information and payments electronically at the time of registration
- Mass invoicing with auto-pay, tuition payments are received on time
- System-generated late payment and late pick-up fees
- Real-time reporting on the number of enrollments
- Making staff more efficient so they can focus on the students/children
- No additional staff time needed to enter paper registrations
- No chasing parents for required forms or payments
- Save trees – no more printing and mailing registration forms, invoices, and child care tax statements
- Electronic approval of child care contracts, as well as schedule change requests
- View and manage class and waiting list enrollments

### MINNEAPOLIS PUBLIC SCHOOLS, MINNESOTA

“It [Eleyo] makes a coordinator’s job easier just by being a really efficient way to have organization within your roster, within your medical records, within your parent contact information. It’s just a really, efficient compact way to have everything you need and anybody who is working within the program can access.”

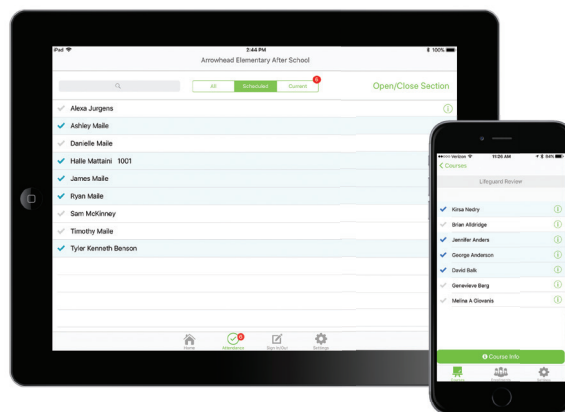

## Eleyo makes attendance tracking easy and puts student information at the fingertips of site staff with the iPad Attendance App

### FOR YOUR PARENTS/FAMILIES

- Smooth pick-up and drop-offs – no more looking through paper lists to find the student
- Parents can check out all their children at the same time

### FOR YOUR STAFF

- Accurately staff locations based on past and current time-stamped attendance records
- Find allergy information immediately for students attending a field trip
- Emergency contacts, allergies, and approved pick-ups at site staff's fingertips
- Site staff can easily manage approved pick-up persons and add drop-in care right from the app
- Manage absences onsite

### DEER VALLEY UNIFIED SCHOOL DISTRICT, ARIZONA

"Nice knowing daily attendance. Very helpful in keeping track of students' attendance and an excellent communication tool with school staff and B/A lead on students' status"

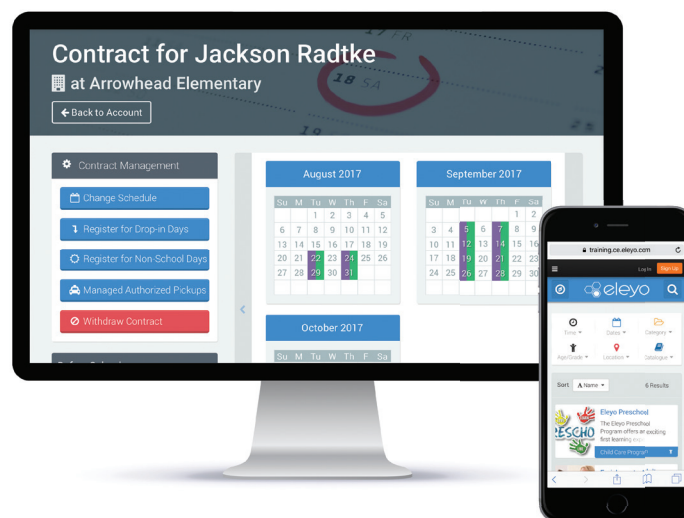

## Simple, mobile, and intuitive family portal that makes online registration and payments easier for families

### FOR YOUR PARENTS/FAMILIES

- MOBILE FRIENDLY – Register and manage account from home with smart devices
- Auto-fill for student information when registering
- Set up and manage automatic payments
- Access and print invoices, receipts, and child care tax statements
- Request schedule changes and non-school day registrations online

### FOR YOUR STAFF

- Track on the program side and parent side, who made a payment, changed a schedule, submitted a registration
- No more mailing invoices and child care tax statements! Families can view all that information online through their Family Portal
- Electronically receive and approve contracts as well as schedule requests – instant digital record of communication

### ST. PAUL PUBLIC SCHOOLS, MINNESOTA

"One of the things that I love about Eleyo is that the parents have access to their accounts and can do everything online. It has really decreased the foot traffic in our main office which allows staff so much time to do everything else that's in their jobs. And it's also a lot more convenient for parents. St. Paul is a big city and our office is in one location. So then parents don't have to drive across the city to do a schedule change or request a drop in contract."

## Online course catalog and registration eliminates paperwork and makes registration easier

### FOR YOUR PARENTS/FAMILIES

- Browse and register for courses or child care on smart devices
- Search for program by age, day of the week, site location, and more
- Download and print payment receipts
- Receive automated emails on registration status

### FOR YOUR STAFF

- Customizable online registration process – create the program based on your needs, no software dictatorship here!
- Collect payment information at time of registration
- Real-time reporting on the number of enrollments
- No more additional staff time needed to enter paper registrations
- Electronic approval of child care contracts
- View and manage class and waiting list enrollments

A screenshot of a tablet displaying the eleyo registration form. The form is titled "Genevieve Berg" and has a "Back" button. It is divided into two columns: "Information" and "Questions & Answers". The "Information" column contains fields for Name (Berg, Genevieve), Emergency Contacts (all) (Roger Berg (Spouse), Cell: (651) 222-2222), and Phone Numbers (Home: (651) 333-3333, Cell: (651) 222-2222). The "Questions & Answers" column contains a question "Do you have any current injuries the instructor should know about?" with a "No" answer, a question "If yes, please provide more details regarding your injury:" with a "n/a" answer, and a statement "I have read and agree to the above statement." with a "Yes, I agree" answer.

## JOHNSTON COMMUNITY SCHOOL DISTRICT, IOWA

"It's easy for the public to use, so a lot of our customers register online. It doesn't take a lot of time to set up an account or register someone for a class."

### **Your site staff will love Eleyo because...**

- Easy sign in and out through the iPad Attendance App makes recording and tracking attendance easy
- Emergency contact information and authorized pick-up persons at staff's fingertips within the iPad Attendance App

### **Your finance department will love Eleyo because...**

- Real-time dynamic reporting
- Increased revenue through automatic payments and collection of late fees
- Eliminating paper registration saves hours of staff time and limits errors due to incorrect information being entered
- Electronic invoicing, tax statements, and registration saves \$\$\$ on paper, envelopes, postage, and staff hours

### **Your parents and community will love Eleyo because...**

- Parents can use the online registration to register when it's easiest for them whether it's at 9 AM or 9 PM
- Family portal with just 1 login, allows families to do the following:
  - Register all children in the household for activities and care
  - View and print receipts, invoices, and annual tax statements
  - Request schedule changes and non-school day registrations online
  - Manage auto-payment account online
  - Manage emergency contacts and authorized pick-up persons

### **Eleyo's Top 10 Features:**

- Award-winning U.S. based support team
- Mobile, self-service account management for parents
- Accommodating contract types
- Simple and intuitive parent portal
- On-site attendance tracking
- Dynamic administrative reporting
- Flexible program management settings
- Split family payment options
- Automated late pickup fees and late payment fees
- Child care focused software for large programs
